

Look up

Am Am/F C2 G
It's just as well - You are for me Lord
Am Am7 F
If You were against me I could not stand
Am Am/F C2 G
And because of Your - amazing grace
Am Am7 F
I come before You the way I am
Am Am/F C2 G
And as I bow - before You Lord
Am Am7 F
I hear a voice say "look up"

C G
(And) See the One who lives and reigns
Am F C
Conquered death, hell and the grave - Look up
G Am F
And see the One who gave His all because of love
C - G Am - F
Look up - Look up

Am Am/F C2 G
Pressure may come - on every side
Am Am7 F
I won't be crushed, in Christ I abide
Am Am/F C2 G
I may be perplexed, - no need to despair
Am Am7 F
I'm never alone, He's always there
Am Am/F C2 G
So I don't lose heart - and I fix my eyes
Am Am7 F
On the One who says look up

CHORUS

Am Am/F C2 G
So don't lose heart - just fix your eyes
Am Am7 F
On the One who says look up
